directed to say that the subject of the accommodation and education of the juvenile prisoners of the Civil and Military Station of Bangalore, is engaging the attention of the Resident, and it is under consideration to apply the above Act to the Station.

With reference to Section 15 (1) of the Act, the Government of Bombay have been asked whether they would be prepared to receive in their Reformatory at Yeravda, youth offenders directed to be sent there by a Court or Magistrate of this Station. The Government of Madras are at present unable to provide accommodation for such offenders.

I am to inquire whether, in the event of the Government of Bombay being also unable to comply with the request, or, even if they are agreeable to the proposal, ^{as} an alternative to that proposal, the Mysore Durbar would be so good as to arrange to accommodate the juvenile prisoners of this Station in the Reformatory, the establishment of which appears to be under their consideration - vide paragraph 4 of the Proceedings of the Government of Mysore No. J.1405-18-Pris.71-20-

When the necessary buildings are complete the Reformatory has come into working order the Durbar will be glad to receive the Juvenile prisoners of the Civil and Military Station on the same terms as adult prisoners are now accommodated in the Central Jail.
